## NACS Position: The 2005 GAO Study

---

NACS generally believes the report accurately portrays the post-secondary course materials industry and captures many of the key factors affecting textbook pricing and student costs. NACS continues to support efforts that will enhance affordable and equitable access to course materials, and will work with all parties concerned as an ally for student interests.

Additional information that may be useful to consider in regards to this report include NACS FAQs on textbooks, bundling, used books, and information on overseas textbooks. Additional information is available online in the Media Room section of the NACS website at [www.nacs.org](http://www.nacs.org)
